

Press Release

Range Servant and The Payment House sign exclusive agreement to provide a new and exciting payment experience to golf clubs in 30 countries! The “eeZee golf” solution is based on the eeZee pay payment suite and will provide the clubs with a fully integrated omni-channel (payment) platform.

The eeZee Pay app and payment suite provides the golf club with the following functionality:

- Mobile based dispense of balls at the Range Servant ball dispensers.
- Mobile based purchases on other unattended vending machines.
- Mobile payment of Pro lessons where the Pro sends a payment request directly from his/her phone to the phone of his client enabling a one-touch payment.
- Mass distribution of membership/tournament fees directly to the eeZee pay app for direct, recurring and/or factoring based payment.
- An integration to the Pro Shop, Bar and Restaurant till systems enabling the same simple one-touch payments!
- Managing important communication and special offers to players and members.

The eeZee pay solution will work at ALL participating golf clubs and ALL other merchants where the eeZee pay Payment Suite is installed!
